ELIGIBLE PROJECTS/COSTS

Funding Level: 75% of eligible costs up to \$5,000.00 reimbursed per project

Only Municipalities and Not-For-Profit organizations are eligible for CVA I&E grants. The grants are for projects that promote the use, benefits and availability of pumpouts in a localized area, such as a town, embayment, county, etc.

Projects may include, but are not limited to:

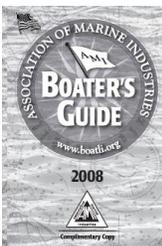

- Signs, Workshops, Written publications/brochures, Written advertisements, Websites, DVD's, Promotional incentives, Radio announcements

The projects MUST pertain to some aspect of the Clean Vessel Act as it applies to pumpouts. Projects that are creative and still encompass the intent of the grant will be considered.

Eligible costs are any costs associated with the production and delivery of the I&E project.

Examples of eligible costs are:

- Development of content, Printing, Labor to produce, Advertisement space, Workshop space and materials, DVD productions, Distribution of materials, Website posting costs, Talent for production of materials

PROJECT EXAMPLES: Going Coastal -> AMI
