New York State Drinking Water State Revolving Fund Intended Use Plan

FINAL AMENDMENT No. 4
to the
DRINKING WATER STATE REVOLVING FUND (DWSRF)
Federal Fiscal Year (FFY) 2016 INTENDED USE PLAN

June 1, 2016

FFY 2016 DWSRF Intended Use Plan Amendments:

Draft Amendment No. 4 to the Drinking Water State Revolving Fund Intended Use Plan (IUP) issued October 1, 2015 was published in the May 11, 2016 issue of the Environmental Notice Bulletin. The comment period for Draft Amendment No. 3 closed on May 25, 2016 and the New York State Department of Health received no public comments pertaining to the Amendment. Therefore, as of May 26, 2016 the Amendment as shown below was final:

DWSRF#17562 Deferiet (V), Jefferson County - The project cost as listed in the DWSRF Intended Use Plan (IUP) is increased by \$1,000,000. This increase reflects the potential additional funds that may be required at the conversion of the short term financing to a long term financing and to complete the project.

DWSRF#16906 Kiryas Joel (C), Orange County - The project cost as listed in the DWSRF Intended Use Plan (IUP) is increased by \$8,500,000. This amendment supersedes the prior amendment published under Draft Amendment No. 3. This increase reflects the potential additional funds that may be required at the conversion of the short term financing to a long term financing and to complete the project.

The New York State Department of Health has determined that the amendments are necessary, reasonable, and in the interest of protecting public health. The amendments will not adversely affect any project on the IUP Project Annual List above the subsidized funding line. Except as noted above, there are no other changes to the IUP as a result of this Amendment No. 4 of the FFY 2016 IUP.
