FOOTNOTES:														
1 Estimated Grant Requested is based on an adjusted project cost that excludes awarded co-funding and other ineligible project costs.														
2 Indicates projects that were eligible for grant, but were not selected in Round 1.														
3 Round 1 eligibility criteria required that projects applying under the Clean Water Hardship category and all Drinking Water projects had a complete SRF financing application.														
4 Communities had MHI or family poverty rate outside of acceptable ranges.														
5 Communities had received prior grant or principal forgiveness in the last five years.														
6 Projects that had completed construction by October 1, 2015.														
7 Project scope did not match project criteria for grant category.
